

EXCLUSIVE MEDICAL TOURISM

INNOVA Global Healthcare is a total care management organization with over 15 years of expertise and specialization in international healthcare management, dedicated to providing patients with the highest quality service for medical and lifestyle/cosmetic treatments by an exclusive group of credentialed doctors in Latin America and Miami that offer competitive pricing.

INNOVA Global Healthcare ensures the required continuity of care for patients upon their return home which guarantees patient safety and optimal patient outcomes.

INNOVA Global Healthcare also offers consulting services to providers to increase international patient clientele/medical tourism.
